

SOUTHWEST TRAINING		GOODYEAR		APPROACH/DEPARTURE	
ADVISORY 122.85	*ATIS 118.35	*GROUND 121.7	*TOWER CTAF 120.1	*LUKE 125.45	PHOENIX 120.7 when LUKE inop.

NOTES:

1. Arrive 1 NM northeast of GILA Crossing at 2000' MSL.
2. Lower Buckeye Rd. can be identified as the road that dissects KGYR Rwy 3-21 at midfield and there is a round-a-bout approximately where a 320 course intersects the road.
3. All night arrivals outside of TWR operating hours should plan to overfly the Rwy at TPA and fly patterns on the west side of KGYR Rwy 3-21.
4. All headings are Approximate; wind correction should be applied for desired ground track.

ROUTING

Fly to 1 NM north of Gila Crossing at 2000'. Abeam Gila Crossing call KGYR tower and proceed as directed, Thence...

RWY	LANDING
21	Left Downwind Fly heading 300 until 1 NM northeast of PIR then direct "Sawed-off Mountain". Proceed direct the KGYR tower and enter left downwind. Left Downwind Entry Proceed direct to PIR, direct Sawed-off Mountain, then direct the KGYR Tower for the 45 entry. Left Base Fly heading 305 direct to the Cattle Sheds (just east of Circle K) for a 2 mile left base entry.
3	Right Base Fly heading 300 until 1 NM northeast of PIR then direct "Sawed-off Mountain" Continue along the Gila River to a 2 NM right base entry Rwy 3 (over the golf course). Right Downwind Fly heading 320 until over Lower Buckeye Rd at round-a-bout. Turn to parallel Lower Buckeye Rd. & proceed direct to a midfield right downwind entry.
