Juergen Tank	Greg Schmidt	Scott Sutton
Jim Pitman	James Bermant	Wayne George
Matt Miller	Fred Gorrell	Dana Garr
Jim Harkins	Dennis Smith	Jack Schelter
David Hensley		

Agenda Items Covered:

- **Sky Harbor Past, Present, and Future**
David Hensley gave a presentation on the past, present and future projects at Sky Harbor Airport.
- **Deer Valley and Goodyear Update**
Jack Schelter provided information about present and future construction projects at both Deer Valley and Goodyear Airports. Jack also present new taxi charts for both airports. He will also provide some posters of the charts to the flight schools.
- **City of Phoenix Noise Office Demonstration**
Randy Payne presented a noise office and system overview, showing how the flight tracking system works and a breakdown of community complaints.
- **Press Release**
The press release has been giving to the City of Phoenix's aviation community relations office where they are determining who to send it to.
- **Reporting point chart progress**
Nothing to report.
- **Advisory/warning over KCGZ AWOS**
Given to the Phoenix Airspace Users Workgroup (PAUWG) for further recommendations.

- **Open floor items:**

Randy Payne mentioned that Stacy Howard discussed the subject of coded routes and the new E-W transition flight test at the last PAUWG. And that Embry Riddle gave a presentation on ADSB.

Nothing new from the DPE's, there next meeting will be held in August.

- **Conclusion:**

The decision was made to have the next meeting at Phoenix Deer Valley Airport at 9:00 on September 25, 2003.
